

Company profile

Since its foundation in 1983, Technogym has been a leading global provider of products, services and solutions in the wellness and fitness industry. Technogym offers a comprehensive range of cardio, strength and functional equipment as well as a digital cloud-based platform that enables consumers to connect with their personal wellness experience anywhere, both on the equipment and on the go.

With over 2,500 employees and 14 offices worldwide, Technogym is represented in over 100 countries. More than 85,000 wellness centres and 400,000 private homes around the world are equipped with Technogym. The Italian wellness company is also the official supplier of the last eight Olympic Games: Sydney 2000, Athens 2004, Turin 2006, Beijing 2008, London 2012, Rio 2016, Pyeongchang 2018, Tokyo 2020 and Paris 2024.
